Eventus wins new Nonprofit, Membership Organization Client

Eventus to assist new client in contact center outsourcing, technology and strategic planning

Englewood, CO (October 11th, 2010) -- Eventus Solutions Group, a leading provider of contact center and BPO solutions, recently added a nonprofit, membership organization to its client roster. Our new client is one of the nation's largest membership organizations responsible for creating positive social change and has selected Eventus Solutions Group to assist with improving their contact center environment.

Eventus Solutions Group expertise in contact center technology selection and implementation coupled with a balanced vendor approach is being used to transform and improve the existing membership experience. Through technology enablement and the proper selection of contact center partners, Eventus is helping its client deliver a competitive, scalable and innovative solution that compliments and enhances their member experience.

"Being able to bring Eventus solutions to an existing experience and deliver improvements to that experience while showing positive results in the cost structure to our client not only exceeded our clients' expectations, but proves the value of the Eventus approach" said Craig Tobin, managing partner at Eventus.
