## **Alpine Access Joins Eventus Partner Network**

*Industry leading at home customer care solution provider broadens Eventus partner portfolio*

**DENVER, CO** -- (June 29, 2009) – Eventus Sourcing Group, provider of premier Customer Relationship Management and Business Process Management solutions, today announced the addition of Alpine Access, Inc. to the Eventus Partner Network. Alpine Access is a key component of the Eventus Agent-at-Home Solution Offering.

Alpine Access, a Denver, Colorado based customer care solution provider, has been the leading provider of insourced and outsourced virtual customer care solutions for over a decade. Onshore, at-home based employees provide an exceptional customer experience to telecom, media and entertainment, retail, financial services, utilities, travel and transportation industries at a lower cost than brick and mortar call centers. PCI level 1 compliant infrastructure and proprietary workforce management tools allow Alpine Access to consistently deliver high quality, flexible and secure customer care solutions for clients with unrivaled geographic diversity. According to CEO Chris Carrington, "Partnering with Eventus is an extremely effective way for Alpine Access to meet more customers, and this partnership will bring with it a wealth of industry experience and contacts to help Alpine achieve its growth goals."

Alpine Access pioneered the home-based, employee contact center model in 1998 to deliver high quality customer service at a lower cost for brand-conscious companies. Known for innovation, operational efficiency and results, Alpine Access has employees in over 1,100 U.S. cities and offers a full suite of services that includes outsourcing, consulting, recruiting and training. The addition of Alpine Access, Inc. to the Eventus Partner Network will allow Eventus to offer this unique business model to new and veteran companies across the country.
