CSS Inc. Joins Eventus Partner Network

Financial services software provider to offer Q Front solutions to the Eventus Partner Network

DENVER, CO --(On Hold, 2009)-- Eventus Sourcing Group, provider of premier Customer Relationship Management and Business Process Management sourcing solutions, today announced the addition of CSS Inc. to the Eventus Partner Network.

Since its foundation in 1993, Comprehensive Software Systems, Inc. has been a supplier of broker/dealer software to the financial services industry. Headquartered in Golden, CO, the company's products include Q Front, which offers customer relationship management, portfolio management, account and document management, corporate finance, and inventory trading solutions; Q Middle, which offers order management system, compliance, and mutual fund processing solutions; and Q Back, which offers real-time margins and trade matching, fee billing, commission processing, operational efficiencies, and risk management solutions, as well as fails, P&S, ACATS, income processing, and reorganization solutions. CSS's Q securities processing software offers a front-, middle-, and back-office system for straight-through processing, which includes solutions for money markets, equities, options, bonds, institutional, and mutual funds.

CEO WHO?, today stated, "We at CSS are extremely excited to be a part of this new business opportunity. At this crucial moment in the financial services industry, working with a business such as Eventus will give us the tools necessary to meet our growth goals." Comprehensive Software Systems, Inc. will be working with Eventus to continue providing innovative software and services to a diverse client base and help their clients adapt rapidly to industry and regulatory initiatives.

ABOUT EVENTUS SOURCING GROUP, LLC

Eventus Source Group's goal is to bridge the gap between clients and high quality solution providers enabling successful results through our proprietary methodology. Eventus manages the entire sourcing process from initial proposal to execution and offers continuous management services to ensure quality of service post contract. Eventus' service offerings enable the ability to increase the speed to market by more than 60% over any current sourcing process cycle. By providing a flexible yet competitive sourcing solution, Eventus Sourcing Group connects the right solutions for our clients resulting in high value returns.
