Floyd Turner Joins Eventus Sourcing Group, LLC

Mr. Turner to lead solutions development organization for Eventus

DENVER, CO -- (May 25, 2009) – Eventus Sourcing Group, provider of premier Customer Relationship Management and Business Process Management sourcing solutions, today announced the appointment of Floyd Turner as Vice President of Solutions Development.

Floyd brings to Eventus over 20 years of experience in customer care, client services, and business operations management, with his last 14 years focusing primarily on consumer and commercial services such as internet, cable, satellite, telecommunications and software. Floyd has significant experience in outsource services, direct response, eCommerce services, knowledge management, technology integration and customer experience consulting. Floyd stated today that he is, "Extremely excited to be a part of this revolutionary new way to approach helping businesses achieve their goals."

A former Senior Vice President of Business Operations at Peak8 Solutions, as well as Director of Advanced Services Strategy for AT&T, Floyd has been integral in a number of successful program launches, large project management initiatives and services deployments in both start-up and established business environments. Selecting and sourcing various programs from sales, customer care, and technical support, Eventus clients will profit from his deep understanding of the many aspects of partnership arrangements from RFP and contract negotiation to program scope, implementation, and ongoing growth management.
