## **Telecom Asset Management Joins Eventus Partner Network**

*Industry's premier brokerage for wholesale network infrastructure becomes the latest addition to the Eventus portfolio.*

**DENVER, CO** –(July 21, 2009)-- Eventus Sourcing Group, provider of premier Customer Relationship Management and Business Process Management sourcing solutions, today announced the addition of Telecom Asset Management, LLC to the Eventus Partner Network. This new partner enables Eventus to drive Telecom Cost Containment Solutions for its clients.

Founded in 2002, Telecom Asset Management provides one-of-a-kind information, software tools, brokerage and consulting services to the telecommunications marketplace. Telecom Asset Management has been retained to assist clients buy and sell more than \$500,000,000 of assets and services. Their unique blend of industry expertise, business and finance experience, and unparalleled market information has positioned them as the industry's premier brokerage for wholesale network infrastructure. Their databases of US network infrastructure include more than 300 fiber optic networks, 100,000 fiber lit buildings, 250,000 wireless towers, ILEC central offices, and serving wire centers in addition to maintaining a proprietary database of more than 2,000 registered, profiled industry professionals across more than 1,400 organizations in 64 countries.

Specializing in dark fiber & conduit assets, bandwidth services, data center space, network mapping data, and market research, Telecom Asset Management provides an extensive array of consulting and valuation services. President Steven Strong stated today that, "Our partnership with Eventus will give us access to more customers and allow us to provide the highest quality services to our current and expanding client base."

### **ABOUT EVENTUS SOURCING GROUP, LLC**

Eventus Source Group's goal is to bridge the gap between clients and high quality solution providers enabling successful results through our proprietary methodology. Eventus manages the entire sourcing process from initial proposal to execution and offers continuous management services to ensure quality of service post contract.
