Zenta Joins Eventus Partner Network

*World-Class Knowledge Process Outsourcing and Business Process Outsourcing Company
becomes the newest partner to join Eventus*

DENVER, CO --(July 7, 2009)-- Eventus Sourcing Group, provider of premier Customer Relationship Management and Business Process Management sourcing solutions, today announced the addition of Zenta to the Eventus Partner Network.

Zenta is a world-class KPO and BPO Company offering a full range of back-office, voice and on-site support solutions such as Credit Card Servicing, Consumer Lending Servicing, Accounts Receivable Management, Mortgage Servicing and Real Estate Capital Market Analytics. With a global footprint that spans three continents and supports over 5,000 employees in India, Europe, and North America, Zenta operates state of the art service delivery centers across the globe. These facilities have enabled Zenta to provide seamless client communication and unrivaled service delivery standards since its inception in 2000. Jack Freker, President and Chief Operating Officer, has had a successful history of leading and building technology processing businesses, and today stated, "We at Zenta are extremely excited to further develop our client relationships leveraging the Eventus business model. We believe in long-term partnerships, and see Eventus as a strategic component to growing our business."

Zenta's focused approach and industry expertise is unique among business process outsourcing firms and serves the following verticals: Commercial real estate, residential mortgage, contact center, and diversified business services. Their executive, client facing and management teams are based in the U.S. and are comprised of leaders with deep and broad industry expertise from top Fortune 1000 companies. They deliver the depth of experience necessary to build long-term, strategic relationships with clients and Eventus partners to deliver world-class solutions in a scalable environment.

ABOUT EVENTUS SOURCING GROUP, LLC

Eventus Source Group's goal is to bridge the gap between clients and high quality solution providers enabling successful results through our proprietary methodology. Eventus manages the entire sourcing process from initial proposal to execution and offers continuous management services to ensure quality of service post contract. Eventus' service offerings enable the ability to increase the speed to market by more than 60% over any current sourcing process cycle. By providing a flexible yet competitive sourcing solution, Eventus Sourcing Group connects the right solutions for our clients resulting in high value returns.
